

# Transparency Scale

BY LOCATION: CROSS CONNECTION

At Carolina Cross Connection, we strive to be transparent about diversity, equity, and inclusion. We believe we are called to provide an affirming learning space with minimal distractions so people can see Jesus and learn through curiosity, community, and service. We have by no means arrived! However, we are on a journey and invite you to join us. This Transparency Scale is provided to pick the best location for your group.

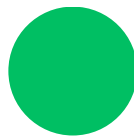

**GOLD**

Physically Accessible  
Gender Inclusivity  
Diverse Community

**BLUE**

Physically Accessible  
Gender Inclusivity

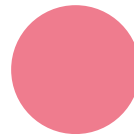

**GREEN**

Gender Inclusivity  
Diverse Community

**PINK**

Physically Accessible

**PURPLE**

Diverse Community

**GRAY**

Gender Inclusivity

## Definitions:

**Physically Accessible:** the location has ramps, accessible restrooms, and wide doors.

**Gender Inclusivity:** the location can accommodate private or semi-private lodging and restrooms.

The rented facility has gender-inclusive policies and access to affirming healthcare if needed.

**Diverse Community:** the location is in a community that is racially and ethnically diverse.
